

WHO IS YOUTH DIMENSION?

Youth Dimension was established in 1977. It was born with a clear and simple vision: to give a generation hope!

Since then, YD has developed into an inter-church organisation with three main streams of ministry: schools ministry, training courses and summer mission.

SCHOOLS MINISTRY

Involves lunch-time programs such as Student Focus and Senior Lounge and our web-based ministry, Bulls+Arrows.

TRAINING COURSES

For people interested in growth in head, heart and hands; that is, biblical studies, character development and ministry skills. Courses are available for year 11 & 12 students (C3), a gap year (Metamorf) and young adults (Immerse).

BLUE MOOSE SUMMER MISSION

Teams of around twenty people are trained and minister in locations around Australia over the summer break.

Youth Dimension is committed to impacting this generation. We believe it is imperative to invest richly in young Christian leaders who stand on the edge of the future.

WHAT IS IMMERSE?

Immerse is a course designed by Youth Dimension for people seeking to grow in biblical understanding, in Christ-like character and in practical ministry skills. It is a one or two year course with a focus on three key areas:

HEAD - BIBLICAL STUDIES

HEART - CHARACTER DEVELOPMENT

HANDS - MINISTRY SKILLS

Upon satisfactory completion of the course, students receive a nationally accredited [Certificate IV \(30772QLD\)](#) or [Diploma \(30773QLD\)](#) in Christian Ministry and Theology.

Most teaching takes place in a small group context, being discussion-based in style and very interactive. Students also gain experience in different ministry areas (particularly schools ministry), and also spend time weekly with a personal mentor.

We recognise that ultimately we are dependent on God's Spirit to grow students' lives in these areas. We desire to be God's instrument in this growth.

STUDENT COMMENTS

'I totally love the study, especially the Old Testament! I'm learning lots and I'm having to ask lots of questions as well. I am constantly being blown away in awe of God!'

'Immerse was such an invaluable experience. Probably the most character-developing two years of my life! It's amazing what God does through community.'

'These two years have been a season of growth and understanding: growth in my passions and gifting, and understanding more of who God is. The things I've learned and the friends I've made will last forever.'
